

# Email Funnel Sketch – \$250

Guide subscribers from “Hey” to “Heck yes!”

## What It Is

Need help connecting the dots? I'll map out your email flow—from the first touch to the final CTA—to build a sequence that guides subscribers toward action.

## What's Included

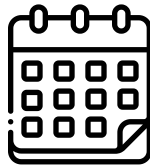

- A clear visual or written outline of your full sequence
  - Guidance on message goals, positioning, and flow
  - CTA ideas and subject line tips for each email
- Optional segmentation or logic notes (if applicable)
  - Delivered as a strategy doc

## Who It's For

This is a perfect fit for:

- Founders launching new products or services
- Teams refreshing outdated nurture flows
- Marketers wanting fresh eyes on their funnel
- Anyone tired of winging their email strategy

## How to Book

Combine this with email sequence copy for a seamless strategy + execution workflow.
